We had nothing to do with its production and all rights belong to the original publisher and mangaka. If you somehow paid for this, then you've been totally screwed over. While this may be free, don't forget to support the mangaka in any way you can once his/her work becomes available for retail sale in your country/ language! But don't forget, as much as we say support the mangaka, to support us at Sherry Heaven too! A nice comment in our forum or chapter is all it takes to make our day. Thank you for reading, and hope you enjoy the chapter.

Myou said really bad words during the first test. On top of that, she said Shizuka's mother at his house who knows about the sudden drop in Shizuka's grades. Now for both their sakes, she's said that until the next round of matches they can't see each other!!

MARGARET COMICS

♡ Speaking of comics this is already the sixth volume. I never thought this manga would be able to get to this point. I'm really shocked. I've read volume three and over again. Without fail I get depressed so I rarely ever finish reading it! The picture hasn't really changed and I'm quite surprised I'm so underwhelmed. Everyday I concentrate (and pray) while dreaming, answering the words "shizuka shizuka" in my head. It's my own fault so please cheer me up okay!♡ says Harada Taeko-shizuka.

The story up until now

A new rival Shinka has appeared and Miyu was full of uncertainty. But Minato invited Miyu to go the beach with him alone and Miyu was extremely nervous. The day they were supposed to go the beach, suddenly Shinka and her friends appeared. And in the end everyone went to the beach together.

Miyu and Miyu were unable to get some time together alone and Shinka suddenly confessed to Minato! But Miyu joined the following day. In order to confirm their feelings for one another, Minato and Miyu were supposed to meet alone at night. But when Minato appeared with Shinka, Miyu was shocked. Minato confessed to Miyu saying, 'We always liked you' and then they had their first kiss. The two finally have gotten together!

During the second semester of school, Miyu and Minato's grades dropped dramatically. Miyu thought she would study together with Minato at his house and there she met his mother. //
